The American Legion Mountaineer Boys State

June 9 – June 15

2013

Dear Adjutant/Children and Youth Officer,

Enclosed with this letter is information on The American Legion Mountaineer Boys State (ALMBS). ALMBS is an honors, leadership and citizenship academy which has existed since 1936 to teach “good government through participation” to the outstanding male Junior High School class members in the State of West Virginia.

Please take the time to review the enclosed materials and provide the requested response no later than March 1, 2013. You may visit <http://mountaineerboysstate.org> for additional information on the program. ALMBS has long been recognized as one of the most respected educational programs of government instruction for High School students.

It is our goal to have every High School, in the State of West Virginia, represented at the 2013 session; which is the 76th session of the program. We are very willing to work with you to assure that your High School is represented at the program.

Please do not hesitate to address any questions, regarding ALMBS to the point of contact for your area listed in the enclosed materials.

Sincerely,

Director Jim Davis

76th Annual

The American Legion Mountaineer Boys 76th Annual: June 9 – June 15, 2013 American Legion Post Packet

The purpose of this letter is to provide you with important information related to the American Legion Mountaineer Boys State program and to encourage you to begin identifying sponsors for the 2013 session. The program is capable of housing 420 boys at Jackson's Mill. We would like to continue our increase in boys over last year's session and max out the camp this year. **We can only do this with your help!**

It is the goal of the program directors to fill all of the available 420 slots. This will be accomplished if your post is able to secure the recommended number of sponsors as identified later in this letter. The Board of Directors eliminated the quota that each post received based upon the post's membership. Consequently, you are limited only by your ability to secure sponsors, which can be your post, other civic clubs, churches, fraternal organizations, businesses, individuals and other groups. Enclosed is a copy of a sample sponsorship solicitation letter that you can modify and use as necessary.

It is recommended that you attempt to identify as many sponsors as you can for the 2013 Boys State. This letter is being sent to encourage you to begin identifying these sponsors now in order to avoid the last minute rush and because some sponsors require a timely request to work this sponsorship into their respective budgets. Many posts have already secured sponsors. If you need assistance or have any questions, call and check with the point of contact for your district.

You will find included in this packet a copy of the Application for the 76th Annual American Legion Mountaineer Boys State. Make as many copies of this application as needed; however, you must secure sponsorship for all applications sent to Department Headquarters. All applications sent to Department Headquarters must be accompanied with payment in the amount of \$200. If you cannot secure sponsorship in your area, contact Jim Davis or Department Headquarters to see if there are any sponsorships in other areas of the state. Another option is to give the parent the option to sponsor their own child to the program. This was approved by the ALMBS Board of Directors a few years ago, so long as the boy meets all the qualifications.

A DVD is enclosed that includes the American Legion Mountaineer Boys State Orientation Video. You can utilize it to recruit sponsors and boys from your local community and high school(s).

This year at the Mid-Winter convention there will be an American Legion Mountaineer Boys State workshop that you or a representative from your Post is highly encouraged to attend. The workshop will include information on how to recruit boys, recruit sponsors, and spread the word about ALMBS. This workshop will also permit you and your Post the ability to ask any questions of the ALMBS staff that you may have.

If you or any members of your post are interested in serving on the staff, please let Jim Davis know. We are always looking for good volunteers. The directors of the program sincerely thank you for your efforts and if you should have any questions please do not hesitate to contact Jim Davis, your District point of contact or other members of the American Legion Mountaineer Boys State program administration.

The American Legion Mountaineer Boys 76th Annual: June 9 – June 15, 2013 Sample Post Communication to Sponsors

Dear Sponsor,

Berkeley Post 14 is sponsoring qualified high school juniors from the county high schools to attend the American Legion Mountaineer Boys State at West Virginia University's Jackson's Mill Extension Campus.

The American Legion Mountaineer Boys State is a one-week course in the operations of government and the political process. Each citizen, as they are referred to, can choose one of six career paths. These paths are: Political, Legal, Banking, Law Enforcement, Journalism (Broadcast & Print) and Homeland Security (National Guard).

The objective of the American Legion Mountaineer Boys State is to have the young men run the 51st state of the United States. They will elect all positions for state, county, and city government, while learning the valuable life lessons in how government works.

West Virginia has the second oldest Boys State program in the nation. This American Legion program has been held in West Virginia since 1936, and produces fine Americans and patriots.

The cost for each citizen is \$200.00. We would like to send as many young men from our county as possible.

We are asking for your assistance in helping build the future of America by sponsoring a young man from our county. Your support will be greatly appreciated.

Thank you.
